## Online Meeting Etiquette

Familiarize yourself with the microphone and video buttons (generally in a bar at the bottom of your screen).

We ask participants to join muted and with video off until they ask a question. Video on while you are speaking is preferred.

Most participants will have a Raise Hand feature that you can use if you have a question or concern. We will monitor this and try to take questions in order.

Feel free to use the Chat option (caption icon in the features bar). Your chat goes to Everyone in the session.

For panel sessions, it's best if the panelists have their cameras on during the discussion, all other cameras should be off.

## Professional Development Hours (PDH)

NCDOT is required to capture and attendance log and evaluation to issue PDH credits.

- Post-event, we will send out a survey link allowing you to complete the request for PDH credits
- Once that is completed, we will send you the certified PDH letter
- It will be up to the individual to capture the number of hours they are claiming
- 11.5 hours have been approved for the entire event
- We will be capturing attendance logs from MS Teams to cross-reference if needed for future validation

## 5. How many RAC Summer Meetings have you attended?

● None. This is my first.	58
● 1-4	70
● 5-10	26
